

Visualization Using R Workshop

Summary and Participant Feedback Report

March 29, 2018

Report prepared by:

Ms. Fahmida Yeasmin and Dr. Karen A Kopciuk, University of Calgary

EXECUTIVE SUMMARY:

The workshop took place on March 3, 2018 in Clara Christie Theatre of the Health Sciences Centre at the University of Calgary. The workshop presenter was Dr. Duncan Murdoch, Professor Emeritus from the University of Western Ontario, Canada. The workshop included these broad topics: Introduction: a little history and discussion of R and R graphics, the “*ggplot*” package of R in detail, the “*rgl*” package of R in detail and Software training in R, (see appended Schedule).

We gratefully acknowledge the support from our generous funders: Office of the Vice-President (Research), University of Calgary; O’Brien Institute for Public Health, University of Calgary; and the Pacific Institute for the Mathematical Sciences; without their generous support it would not have been possible to present this workshop.
