

# **Dr. Amity Quinn, PhD**

Dr. Amity Quinn is a health economist and an Assistant Professor in the Departments of Obstetrics and Gynecology and Community Health Sciences in the Cumming School of Medicine at the University of Calgary. She received her PhD in Social Policy from the Heller School for Social Policy and Management at Brandeis University and postdoctoral fellowship in health economics at the University of Calgary. She focuses on studying how health care is paid for and organized to improve access to high value care for marginalized and vulnerable populations, including women and people with chronic diseases.
