I have appended the presentations and the Top 10 infographic
The PSP peer reviewed publication has been accepted to CMAJ Open (in “press”)

5. List (with projected timelines and names of participants) what activities or next steps are ensuing from the meeting (follow-up meetings, etc):

We have announced a provincial Seniors and continuing care knowledge synthesis competition aligned with the top ten priorities from the PSP as a result in a continuation of the efforts to engage researchers in this area. We shall continue to use the information to support applications for research funding. We have, as a result of this meeting

6. Please provide any additional commentary on the benefits or unexpected consequences arising from the meeting:

The discussion provided useful input to the provincial innovation pipeline from an AHS perspective. The concerns of researchers regarding the narrower” perspective of research only relevant to AHS health settings and away from primary care and preventive interventions was well made
