

Heather Morley has proudly served as Executive Director of Inn from the Cold since April 2019.

She is responsible for providing overall leadership, direction and oversight, ensuring that The INN fulfils its mission and meets community and stakeholder expectations.

Heather brings decades of experience and advocacy in the social services and homeless-serving sectors across Canada and in the United States. The focus of her work has always been supporting families from crisis to stability.

In 2022, Heather was awarded the Queen Elizabeth II Platinum Jubilee Medal for contributions to the sector.

She holds a MA in Counselling from the University of San Francisco. She has instructed at the University of Calgary and presented nationally and internationally at conferences focused on homelessness and domestic violence.

Heather is committed to supporting our communities' most vulnerable, and to raising awareness of homelessness and social injustices in our society.
